Course Description

Flagging is a very important and demanding job whether it be in a work zone, during utility installation or repair, or during an emergency road hazard situation. This course will provide first aid training as required by the Massachusetts Department of Transportation, as well as Flagger Certification which is valid for 2 years. This course is being held for municipal employees only and no private or vendor registrations will be accepted. Contact the Baystate Roads Program for additional information at: cindy@baystateroads.org. Class size is limited to 25.

Who Should Attend

This course is being offered to municipal workers that need to be certified for Flagging in Massachusetts. The First Aid portion of the course must be attended if an existing First Aid Certification is not currently held.

No Flagger certification will be given without an existing, valid First Aid Certification.

Speakers

Bob Stabile - First Aid: Bob is the Co-owner and Lead Instructor of Merrimack Valley CPR. Bob has over 25 years experience in emergency and pre-hospital medicine.

Catherine Schoenenberger - Flagger

Certification: Catherine is President and Owner of Stay Safe Traffic Products, Inc. in Westford, MA, a leading supplier of traffic signs and traffic safety equipment.

Flagger/First Aid Certification*

May 2, 2013

Department of Public Works Headquarters
120 Theophilus F. Smith Road
South Dennis, MA 02660

**This session is for initial Flagger certifications only, not recertifications. A separate series of workshops will be scheduled to recertify existing Flaggers.*

This Course does not count towards Roads Scholar Credits.

Please Note

Food and beverages will not be provided at this free training. Please plan accordingly.

This Baystate Roads Program (LTAP) workshop is a cooperative effort of the Federal Highway Administration, Massachusetts Executive Office of Transportation and the University of Massachusetts Transportation Center.
