PAVEMENT PRESERVATION TECHNIQUES SHOWCASE

June 12, 2013
Marriott Courtyard, Marlborough, MA

REGISTRATION FEE

\$30.00 municipal/
\$50.00 private sector.
Lunch provided.

Cancellations must be received 4 days
prior to the workshop or you
will be invoiced.

Description

Join MassDOT and the Baystate Roads Program for the 2013 Massachusetts Pavement Preservation Techniques Showcase. We are bringing together industry experts and municipal public works professionals to discuss the technical merits of pavement preservation maintenance treatments and to hear about how municipalities in Massachusetts are putting them to work.

Don't miss this opportunity to learn more about Ultrathin Overlays, Stress Absorbing Interlayers (SAMI), Micro-surfacing, Hot-in-place recycling, Cold-in-Place recycling, Polymer Additives, and more.

Contact the Baystate Roads Program for additional information at: cindy@baystateroads.org
or call 413-577-2762

Who Should Attend

All personnel responsible for the efficient and effective management, rehabilitation, and maintenance of roadways should attend this workshop.

Workshops Coming Soon!

- Geometric Design: Applying flexibility and risk management
- Low Cost Intersection Safety Improvements
- Succeeding As A Foreman IV
- Complete Streets
- Flagger Certifications
- ...and more!

Why Register Online?

- Instantly confirm registration!
- View how many seats are left!
- View all courses currently accepting registrations!
- View workshop flyers as well as Newsletters and Tech Notes!
- Save paper and time!
