- Save paper and time!

Course Description

This chainsaw workshop will cover advanced topics for the more experienced user. These classes will run rain or shine. Please dress appropriately based on weather conditions and bring all required materials. **Class size is limited to 15 students. Registrations are accepted on a first-come first-served basis.**

Who Should Attend

Anyone who uses a chainsaw in their daily/occasional work to maintain property, do storm damage cleanup, right-of-way clearing, fire-rescue, etc. can benefit from these workshops.

Speaker

Mike Smith

Instructor Michael Smith has been operating chainsaws for over 20 years. He is also a 25 year veteran firefighter. Mike has taken extensive training in the field of chainsaw operation. His teaching style includes a healthy portion of humor and student interaction. The hands on portion of Mikes classes are always interesting.

These classes fill up quickly. Be sure to register online as soon as possible to get your name on the list. We will accept registrations on a first-come, first-served basis.

*This Course counts towards
1 Roads Scholar Credit/0.8 CEUs*
