

## DESCRIPTION

Flagging is a very important and demanding job whether it be in a work zone, during utility installation or repair, or during an emergency road hazard situation. This course will provide first aid training as required by the Massachusetts Department of Transportation, as well as Flagger Certification which is valid for 2 years. This course is open to Massachusetts municipal employees only.

Contact the Bay State Roads Program for additional information at: [dan@baystateroads.org](mailto:dan@baystateroads.org)  
Maximum class size is 25.

## SPEAKERS

First Aid--Patricia Stagno:

Ms. Stagno has twenty five years experience in the technical, safety, health, medical, and utility fields. As a Radiology Technician graduate from Northeastern University, she worked at many Boston area hospitals before joining the Navy where she served as a Hull Technician.

Flagger Certification--Catherine Schoenenberger: Catherine is President and Owner of Stay Safe Traffic Products, Inc. in Westford, Massachusetts, a leading supplier of traffic signs and traffic safety equipment. Since 1996, Catherine has been, and remains, a strong advocate of safety awareness and education.

## WHO SHOULD ATTEND

This course is being offered to municipal workers that need to be certified for Flagging in Massachusetts. The First Aid portion of the course must be attended if an existing First Aid Certification is not currently held.

No Flagger certification will be given without an existing, valid First Aid Certification.

This course is being held for municipalities only and no private or vendor registrations will be accepted.

This course does not count towards  
Roads Scholar Credits

## FLAGGER/FIRST AID CERTIFICATION

3/28/12 North Adams

Conte Middle School

191 East Main Street

North Adams, MA 01247

\*This session is for initial certifications only, not recertifications. A separate series of workshops will be scheduled to re-certify existing Flaggers.

This Baystate Roads Program (LTAP) workshop is a cooperative effort of the Federal Highway Administration, Massachusetts Executive Office of Transportation and the University of Massachusetts Transportation Center.
