

DESCRIPTION

Flagging is a very important and demanding job whether it be in a work zone, during utility installation or repair, or during an emergency road hazard situation. This course will provide Flagger Re-Certification which is valid for 2 years.

This course is open to Massachusetts municipal workers for re-certification only. Proof of existing valid Flagger Certification, as well as valid First Aid Certification (or equivalent) must be shown at the session.

Contact the Bay State Roads Program for additional information at: dan@baystateroads.org
Maximum class size is 50 (unless noted).

SPEAKER

Catherine Schoenenberger:

Catherine is President and Owner of Stay Safe Traffic Products, Inc. in Westford, Massachusetts, a leading supplier of traffic signs and traffic safety equipment. Since 1996, Catherine has been, and remains, a strong advocate of safety awareness and education.

WHO SHOULD ATTEND

This course is being offered to municipal workers that need to be re-certified for Flagging in Massachusetts.

No Flagger re-certification will be given without the minimum of an existing, valid First Aid Certification.

This course is being held for municipalities only and no private or vendor registrations will be accepted.

This course does not count towards
Roads Scholar Credits
